

THE 51ST UNION WORLD CONFERENCE ON LUNG HEALTH | 20-24 OCTOBER 2020. Virtual Conference.

CONFERENCE SESSIONS

KNCV TB Foundation Nigeria Team presentation slots.

Dr Odume Bethrand

1. Oral Abstract session: OA-14-588-22

Oral Abstract Title: The impact of the COVID epidemic on Active TB Case Finding (ACF) interventions in Nigeria: The KNCV TB Foundation Nigeria experience

Title of session: COVID-19: the great disrupter

Oral Abstract Session date and Time: 22 October 2020. 12:30-13:50
Spain time/Central European Summer Time

Dr. Basil Uguge

2. **E-Poster number: EP31-403-24**

E-Poster title: Periodic performance review with patent medicine vendors; a fulcrum for improving TB case detection in the community: a case study of Nasarawa State, Nigeria

E-poster session title: Allied against TB: new and old partners

E-poster session date: 24.10.2020

3. **E-Poster number: EP24-333-23**

E-Poster title: Patent and propriety medicine vendor's led community engagement: an innovative approach to finding missing TB cases in rural communities in Boki Local government, Nigeria

E-poster session title: TB innovative strategies to find the missing cases

E-poster session date: 23.10.2020

Dr. Sani Useni

4. **E-Poster number: EP09-179-21**

E-Poster title: From pilot to nationwide scale up of shorter treatment regimen for DR-TB treatment: lessons from Nigeria

E-poster session title: Improved acceptability of TB regimens needed

E-poster session date: 21.10.2020

5. **E-Poster number: EP10-187-21**

E-Poster title: A missed opportunity: active contact investigation of diagnosed TB patients in Nigeria

E-poster session title: Overcoming barriers in the contact cascade of care

E-poster session date: 21.10.2020

6. **E-Poster number: EP19-280-22**

E-Poster title: Access to quality TB diagnostic services in Nigeria: the role of specimen transport systems

E-poster session title: Quality and modelling of TB

E-poster session date: 22.10.2020

7. **E-Poster number: EP36-447-24**

E-Poster title: Did expansion of GeneXpert machines find missing TB patients? Experience from Nigeria

E-poster session title: Molecular testing for TB infection and drug resistance

E-poster session date: 24.10.2020

Dr Ogoamaka Chukwuogo

8. E-Poster number: EP32-406-24

E-Poster title: Cascade analysis for Active TB Case finding intervention in Nigeria: a tool for quality improvement and program monitoring

E-poster session title: Quality improvement of the TB cascade of care

E-poster session date: 24.10.2020

E-poster time: All E-posters will be accessible online starting at 10:00 am (Central European time) on the allocated date.

9. Abstract reference number OA-16-603-2

Title of your abstract: Overcoming barriers to GeneXpert optimization in Nigeria: An analysis using the Access Concept

Type of session: Oral Abstract session (OA)

Title of session: OA-16 TB Xpert in LMICS: Ensuring quality and quantity

Session date: 22 October 2020

Session time: 12:30-13:50 Spain time/Central European Summer Time

10.

Abstract reference number: OA-10-561-22

Title of your abstract: Provider initiated Active TB Case Finding in high volume health care facilities: Preliminary results from an ongoing project in Nigeria

Type of session: Oral Abstract session (OA)

Title of session: OA-10 Partnerships for integrating services

Session date: 22 October 2020

Session time: 11:00-12:20 Spain time/Central European Summer Time

Chidubem Ogbudebe

11. **E-Poster number: EP10-192-21**

E-Poster title: Effectiveness of contact tracing intervention for improving TB case detection in Nigeria

E-poster session title: Overcoming barriers in the contact cascade of care

E-poster session date: 21.10.2020

12. E-Poster number: EP26-348-23

E-Poster title: Engaging first-line care providers for screening and referral of presumptive tuberculosis (TB) patients in Nigeria: results of a targeted approach

E-poster session title: Improving knowledge: the benefits for person-centred TB care

E-poster session date: 23.10.2020

13. E-Poster number: EP32-409-24

E-Poster title: Finding additional TB cases through symptom screening for diagnosis in high burden setting: cough of 2-weeks is not enough

E-poster session title: Quality improvement of the TB cascade of care

E-poster session date: 24.10.2020

14. E-Poster number: EP31-394-24

E-Poster title: Tuberculosis case yield of at-risk groups using modified screening algorithm in Nigeria secondary and tertiary healthcare facilities

E-poster session title: Allied against TB: new and old partners

E-poster session date: 24.10.2020

15. E-Poster number: EP30-385-24

E-Poster title: Improving TB case finding in hospital outpatient departments: lessons from a health system strengthening approach

E-poster session title: Where are the undiagnosed TB cases?

E-poster session date: 24.10.2020

16. E-Poster number: EP30-384-24

E-Poster title: Active TB case finding targeted at high burden health facilities in Nigeria: Results from a pilot intervention

E-poster session title: Where are the undiagnosed TB cases?

E-poster session date: 24.10.2020

Ifiok Ekanim

17. E-Poster number: EP32-404-24

E-Poster title: Evaluation of Tuberculosis Active Case Finding (ACF) cascade: results from a TB surge intervention in Akwa Ibom State, Nigeria

E-poster session title: Quality improvement of the TB cascade of care

E-poster session date: 24.10.2020

Dr. Dan Egbule

18. E-Poster number: EP32-407-24

E-Poster title: Impact of TB cascade Loss in a Facility-based intensified TB case finding intervention in Nasarawa State, Nigeria

E-poster session title: Quality improvement of the TB cascade of care

E-poster session date: 24.10.2020

Dr. Tukur Mustapha

19. E-Poster number: EP19-286-22

E-Poster title: A quarterly trend analysis of the contribution of the Wellness on Wheels intervention to TB case finding in Kano State, Nigeria

E-poster session title: Quality and modelling of TB

E-poster session date: 22.10.2020

Dr. Nkiru Nwokoye

20. E-Poster number: EP34-433-24

E-Poster title: Impact of the human resource support scheme and sample transportation system on GeneXpert services in selected states in Nigeria: The KNCV/Challenge TB experience

E-poster session title: TB: from bench to the bedside

E-poster session date: 24.10.2020

21. E-Poster number: EP19-281-22

E-Poster title: Lateral flow lipoarabinomannan test for diagnosis of TB amongst PLHIV in selected health facilities in Nigeria: hype or hope?

E-poster session title: Quality and modelling of TB

E-poster session date: 22.10.2020

Dr. Austin Ihesie

22. E-Poster number: EP11-199-22

E-Poster title: Impact of universal tuberculosis screening (TB-Surge) on HIV case finding in selected facilities. Lessons from the TB Surge intervention in Akwa Ibom State, Nigeria

E-poster session title: TB: HIV and diabetes comorbidities

E-poster session date: 22.10.2020

Time: Accessible from 10 am (CET)

Dr. Mamman Bajehson

23. E-Poster number: EP06-156-21

E-Poster title: Strengthening hospital DOTS linkage using ad hoc staff to find missing TB cases: The Aminu Kano Teaching Hospital Experience

E-poster session title: TB: data matters

E-poster session date: 21.10.2020
